MASA :

Dear Mr. Ceja:

You are named a joint inventor in the above-identified United States reissue application filed under the provisions of 35 U.S.C. § 116 (United States Code) and 37 C.F.R. § 1.47(a), Rules of Practice in Patent Cases. Should a reissue patent be granted on the reissue application, you will be designated therein as a joint inventor.

As a named inventor you are entitled to inspect any paper in the file wrapper of the reissue application, order copies of all or any part thereof (at a prepaid cost per 37 C.F.R. § 1.19) or make your position of record in the reissue application. Alternatively, you may arrange to do any of the preceding through a registered patent attorney or agent presenting written authorization from you. If you care to join the reissue application, the attorney of record identified below (as a CC) would presumably assist you. Joining in the reissue application would entail the filing of an appropriate oath or declaration by you pursuant to 37 C.F.R. § 1.63.

Telephone inquiries regarding this communication should be directed to Senior Attorney Paul Shanoski at (571) 272-3225. Requests for information regarding your reissue application should be directed to the File Information Unit at (703) 308-2733. Information regarding how to pay for and order a copy of the reissue application, or a specific paper in the reissue application, should be directed to the Certification Division at (703) 308-9726 or 1-800-972-6382 (outside the Washington D.C. area).
